## **Syllabus for Bachelor of Computer Application (BCA) Programme**

### **(Effective for Students Admitted in Academic Session 2018-2019)**

Out of the requisite 16 (sixteen) credit points to be accumulated by a student during the span of 3-year BCA course, exactly 6 (six) credit points must be accumulated from courses with Sl. No. 30, 31, 32, 34, 35, 63, 64 and 65.

If a student accumulates the minimum credit point (6) during first year, he/she needs to accumulate the maximum credit point (6) during second year. Accordingly he/she needs to accumulate the required credit point during third year to satisfy the requirement of 16 credit points.
